

Product Bulletin

Mega Power #6 Radiator Stop-Leak

Benefits:

- ◆ Stops most radiator leaks
- ◆ Compatible with cooling system components
- ◆ Mixes with anti-freeze
- ◆ Helps prevent blow by/head gasket seepage

Demonstration:

Puncture six small holes in the bottom of a can. Fill can half full with water, As the water is leaking out the bottom, pour in two or three cap fulls of #6. The leaking will stop almost immediately! Shake the can to demonstrate the sealing action of the product.

Note: Shake well before using - particles may settle in the bottle during storage.

Code	Size	Weight (lbs. / kilos)	Quantity
